

Sister Cities of Morgan Hill

To promote peace through mutual respect, understanding, and cooperation, one individual, one community at a time.

We are an all-volunteer, membership nonprofit that establishes relationships and activities between Morgan Hill and cities around the world with whom we share similarities. Formed in 2002, we currently host relationships with six international cities: San Casciano, Italy; Seferihisar, Turkey; Ameca, Mexico, San Martin de Hidalgo, Mexico; Mizuho, Japan; and Headford, Ireland. Morgan Hill's program is modeled on Sister Cities International, a world-wide organization founded by Dwight D. Eisenhower in 1956.

Travel!

Members occasionally travel for special events as a delegation to our Sister Cities. Non-members may travel with the group.

Student Exchanges

Middle school students are invited to participate in a summer exchange with Mizuho, Japan, while participating high school students are paired with teens from San Casciano, Italy. Both programs alternate between hosting and traveling.

Community Outreach

We keep in touch with the community every chance we get, including annual participation in Morgan Hill's 4th of July Parade.

Membership

An affordable \$25 annual fee per family, monthly meetings at 7 p.m. on the 4th Thursday of every month at the CRC.
